REQUEST FOR UNDERGROUND SERVICE

Member Number _____

I, _____, have marked the locations of all below grade facilities such as, but not limited to, customer owned gas, water, sewer, septic lines and septic tanks and assume liability for damages incurred to any below grade facilities not properly marked and subsequently damaged by HART EMC during the course of installation of service facilities on the property located at _____.

Further, I indemnify and hold harmless HART EMC for any damages to driveways or other property including, but not limited to sod, grasses, trees, or landscaping materials and plants incurred during ingress and egress by trucks and equipment for the purpose of installing buried electric cables and required facilities.

In the event that, in the sole opinion of HART EMC, excessive rock is encountered during the installation of underground service cables, the owner shall be responsible for the removal of said excess rock.

I certify that I, the undersigned, am the owner of the above listed property and agree to the foregoing conditions of service.

I, the undersigned, have applied for underground service from HART EMC and have agreed to the following conditions:

1. To pay \$3.00 per foot for secondary wire -120/240 volts.
2. To pay \$6.00 per foot for primary wire – 7200 volts, single phase.
3. To pay \$10.00 per foot for primary wire – 12,470 volts, three phase.
4. To pay a minimum charge of \$200.00.
5. No allowance made for consumer trenching and backfilling.
6. If the underground power line needs repairing at any time in the future, HART EMC will not be responsible for:
 - a. Reseeding lawns.
 - b. Replacement of shrubbery.
 - c. Repaving of driveways.
