Dear Member:

In order to enroll in Hart EMC's Draft Program, you will need to complete the following authorization form and return it to our office. We ask that you allow approximately *2 weeks* processing time to initiate your request. If you decide to use the draft payment option as your method of bill pay, we will continue to send you a monthly statement. When your account has been placed on this program, it will show in the message box of your statement that your bill will be "paid by draft". Hart EMC drafts twice per week. Therefore your account could draft approximately one to five days before the "due date" of your bill. If you have any questions or concerns about Hart EMC's draft program, please give us a call at 1-800-241-4109.

Sincerely,

Hart Electric Membership Corp.
